## Work Experience

### Video Editor | WHAS11 News | Oct. 2022 - Present

- Compiled footage, audio, and graphics into video designed for live voice overs.
- Converted VHS and Live Streams into MP4 video formats.
- Worked on projects in time frames between a few minutes to multiple days.
- Kept constant communication between editors, producers, and directors.

### Freelance 2D Animator | Luv Letter Studios | May 2023 - Oct. 2024

- Developed Key Frames, Layout, and Inbetweens on animated productions.
- Assisted in the creation of their series: *Towards Galaxy's End*.

### Freelance 2D Animator & Video Editor | Smash Bracket | April 2022 - Dec. 2023

- Developed hand-drawn animations for the YouTube Web series.
- Illustrated storyboards to be translated into animation for the animation team.
- Compiled video, audio, & motion graphics, into an educational style video format.

### Animation Intern | Ferry Godmother Productions | Summer 2021

- Worked remotely to storyboard, edit, and animate story-driven shorts.
- Kept constant communication with the head of the company for notes and ideas.

### Motion Graphics Intern | Nine Dots Media | Spring 2021

- Developed animated shorts to use as promotional material on Instagram & Facebook.
